### **Air Pollution Control Advisory Council Schedules Conference Call Meeting**

BISMARCK, N.D. – The North Dakota Air Pollution Control Advisory Council will meet via conference call Thursday, Aug. 3, 2006, at 2:30 p.m. CDT. The conference call will originate from the Fourth Floor Conference Room at the North Dakota Department of Health, 918 E. Divide Ave., Bismarck, N.D.

The purpose of the conference call is to discuss proposed rules for the control of mercury from power plants. This rule was discussed at the previous meeting and the Council recommended additional changes to the rule.

The Air Pollution Control Advisory Council is a nine-member panel that considers and makes recommendations regarding the adoption, amendment or repeal of rules and standards pertaining to North Dakota's air quality.
